

vers 1

childhood dream
music & lyrics
miki chambiki

A simple childhood dream
so full of fluffy cream
acting like a wealthy queen
where has gone all this gleam

NO NO I won't confess
that it's hooey, brainy mess
to dream of this charming dress
gold-embroidered noblesse

bridge

Though here I'll never find a way
I'll sew it in my mind one day
shining brightly making blind this may
overlay sad gloomy thoughts

chorus

A simple childhood dream
is golden, keep it in
shines from inside
gives your smile a unique gleam

Dare to dream this little dream
feel the warmth just let it stream
get some power from the vibes
of this sweet dream.

vers 2

This kind of dream is like a thread
that is with you every breath
from dawn to time for bed
from the birth to life's sunset.

It's up to you to thread it in
weave a fleecy second skin
be creative and begin
to feel comfortable within

vers 3

Be the tailor of your life
simply shed all inner strife
put the shabby dress aside
shift it to the golden side.

Animate your little dream
live this crazy virtual scene
all the nasty things (that) have been
are forgotten in your dream.
